## LIBRARY

The Library, an oasis of calm away from the hustle of the city, has proven to be ideal for a variety of requirements, whether it be a break-out room for your guests, somewhere to have a drinks reception, or just a spot for your guests to sit back and relax.

The name was chosen as a subtle nod back to the days when The Bonham housed medical students and was known as Muir Hall.

## SNUG

Our Snug, in a beautiful ornate former reading room, is ideal for an intimate gathering for up to 8 guests.

A cosy and secluded room that you can find just off the main reception, The Snug is the perfect place to enjoy a private wedding breakfast. Original wooden panelling and a richly decorated ceiling make this an ideal venue.

## THE ROTHESAY SUITE

The ultimate in luxury, The Rothesay Suite overlooks Drumsheugh Gardens on the first floor and benefits from a separate living room and bedroom. Perfect for the Bride and her team to get that pre-wedding experience on the day.

The Rothesay Suite comes with everything you would expect, plus a Segafredo Coffee Machine, bathrobes, slippers and our 'Whisky of The Moment' on offer complimentary.

## LUXURY ACCOMMODATION

Each of the 49 bedrooms at The Bonham has an individual design using rich, bold colours, contemporary furniture and local photography. The elegant decor complements the magnificent original features of the building. They offer huge comfortable beds and large bright and airy windows with most offering breath-taking views of Edinburgh and the quaint Dean Village, to the Firth of Forth.

Best available rates for accommodation will be offered when attending a wedding.

## WEDDING BREAKFAST MENUS

The food at The Bonham is modern classic, given zest with expertly sourced, seasonal Scottish produce. The hotel also has an excellent, well edited wine list to complement your dishes.

We ask that all parties select a set menu, one starter, one main course and one dessert from our private dining menu, with a vegetarian alternative if required.

Dietary requirements are easily met and our chefs are also happy to create a personal menu to suit your individual needs.

For children, special menus can be created.

We also provide an evening buffet, where you can choose from canapés, fork buffet or finger buffets.

“You made our day extra special. Nothing was too much trouble for any of the staff at The Bonham.

Our room was incredible and each of the rooms we used for the ceremony and dinner were decorated immaculately.

We love The Bonham, it has a very special place in our hearts and we are so grateful that you played a part in that. We will be back again soon”.
